High Level Course on Insolvency Law in Eastern European Jurisdictions

**1st Course
Romania
2017**

**Hotel Caro,
Bucharest, Romania**
Module 1: 2-4 February
Module 2: 29 June - 1 July

Module 1

International
best practice
and comparative
examples

Module 2

An analysis of
the main elements
of Romanian
insolvency law

Module 3

On line
follow-up and
case/paper
submission

Course Objectives

- To convey the main elements of international best practice; and
- To deepen the knowledge and interpretation of Romanian insolvency law.

Delivery Method

The classes will be seminar-based and fully interactive. The training will have a theoretical base but fundamentally a practical approach using a case-study methodology for each module.

Target Participants

Professionals involved in the insolvency practice of the jurisdiction, with special focus on high level lawyers, IPs, judges and state officials.

Course structure

3 modules, 2 consisting of 3 half-days each and one on-line with an additional one-day workshop, all to take place within one calendar year, with a separation of approx. 5 months.

- Main language English with simultaneous translation provided
- 20 professional points awarded by INPPI
